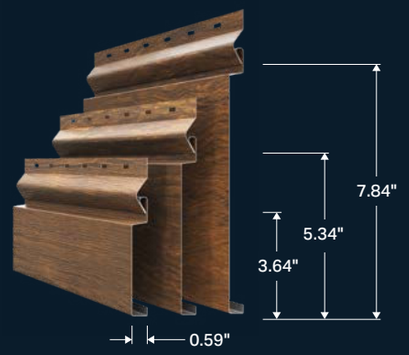
Bellara™

Siding crafted to emulate natural wood, engineered from steel, designed to last a lifetime.

40-Year Warranty | 100% Recyclable | Ultra-High Resolution | Matching Trim System

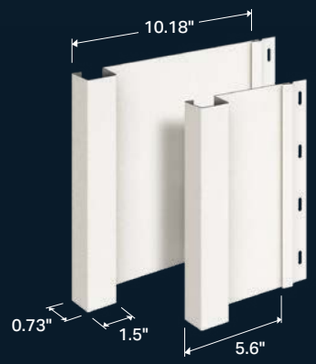
Plank 90 | 135 | 200

Available in two gauges and multiple widths that can be installed together, Bellara Plank blends seamlessly to look beautiful for generations.



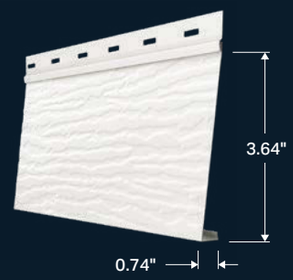
Board & Batten 140 | 260

Add a touch of traditional warmth and rustic character to any home that lasts decades. Bellara's resistance to warping, cracking, and shrinking adds to its longevity.



Lap Siding 155

Featuring horizontal panels that overlap, Bellara lap siding creates a seamless appearance. Hidden fasteners allow the panel to expand and contract for added durability.



Technical Specifications

Plank

Fastening System	**Hidden**

State-of-the-art Coating
Bellara's coating is manufactured by Sherwin-Williams and includes Kynar 70% PVDF; Polyvinyl fluoride resin and FEVE. This combination is durable and colour-fast, meaning Bellara colours and patterns will resist fading over time, and they are environmentally friendly with no VOCs.

WE ARE PLANET PASSIONATE

While Vicwest has always been passionate about building durable and sustainable products, we're equally passionate about producing them in the most environmentally responsible way. We're building for tomorrow by focusing on four main pillars:

Carbon
Emissions Reduction

Energy
Building with Solar

Circularity
Zero Waste to Landfill

Water
Rainwater Harvesting
